

# **“Mathemagics with Dr. Arthur Benjamin” The Mathematician and Magician - Sponsored by the Institute of Mathematical Science — poster text**

The event information below is the text alternative to the original printed poster.

Mathemagics with Dr. Arthur Benjamin, mathematician and magician.

March 23, 2015, 7:30pm. Physics Building 203, University of Virginia.

In his entertaining and fast-paced performance, Dr. Benjamin shows how to mentally add and multiply faster than a calculator, improve your memory for numbers, figure the day of the week for any day in history, and more.

Admission is free. This talk is intended for a general audience.

Sponsored by the Institute of Mathematical Science, University of Virginia, Charlottesville, Virginia. Contact: [theims@virginia.edu](mailto:theims@virginia.edu).
