☐ Undergraduate

If you are an undergraduate

Current major

Expected graduation year

Cumulative GPA

What math courses are you currently taking?

Name(s) of at least one of your previous math instructors who can give a recommendation

Past math courses and final grades for each

Additional information

It will be the joint responsibility of the instructor and the grader to ensure the prompt pick-up and return of homework and/or test papers according to the arrangements. Failure to comply on the part of the grader may be a reason for removal from payroll.

The Department will provide a textbook for grading purposes. The grader is required to return the textbook at the end of the semester.
