

Participation in Final Exercises by BA/MT Students

Students in the Teacher Education BA/MT program know from the outset that this is a **five-year program**, with both diplomas awarded in the *fifth* year.

Students in the **fourth year** who have met all of the requirements for the B.A. may participate in Final Exercises on a limited basis. They are invited to "walk the Lawn" and, with the cooperation of the major Department, may be recognized at the diploma ceremony as "BA/MT students expected to receive both degrees in the following year." In this fourth year they receive **neither a diploma, nor graduation tickets**, and their **name does not appear in the program**.

Students who wish to avail themselves of this opportunity must have completed all area requirements, the 102.0 College hours, as well as all major requirements. Departments may, but are under no obligation, to recognize these students during the diploma ceremony.
